

# AES 2005 SEMINAR

Toby Gad got invited as a special guest to give a one hour seminar about his experience as a producer and songwriter in the Educational John Lennon Tour Bus at the New York City AES convention in the Javits Convention Center. The participants of the seminar were talented students from a New York College.

The seminar was also recorded for a DVD that will accompany a song writing book, to be published in 2006 through the John Lennon Foundation.

The John Lennon Educational Tour Bus is a non-profit, mobile recording studio outfitted with professional musical instruments as well as current technological advances. Since 1998, the Bus has provided free hands-on programs to hundreds of high schools, colleges, Boys and Girls Clubs, music festivals, concerts, conventions and community organizations. Working together with some of the biggest names in music, the Lennon Bus encourages students to play music, write songs, engineer recording sessions and produce music video projects using the latest audio, video, and live sound equipment.
